

# “Terrible Love”

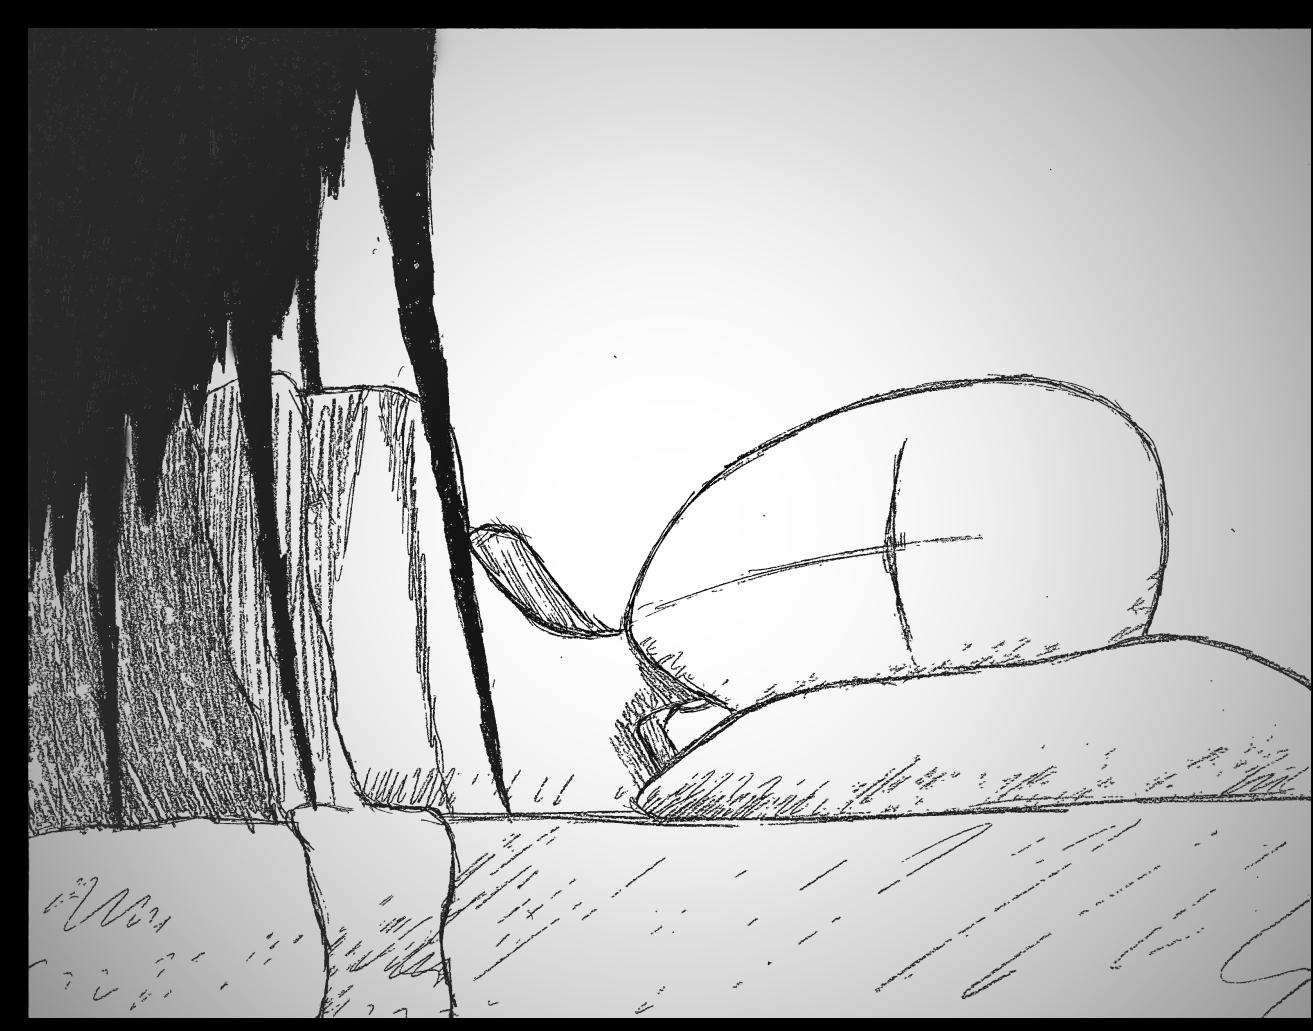

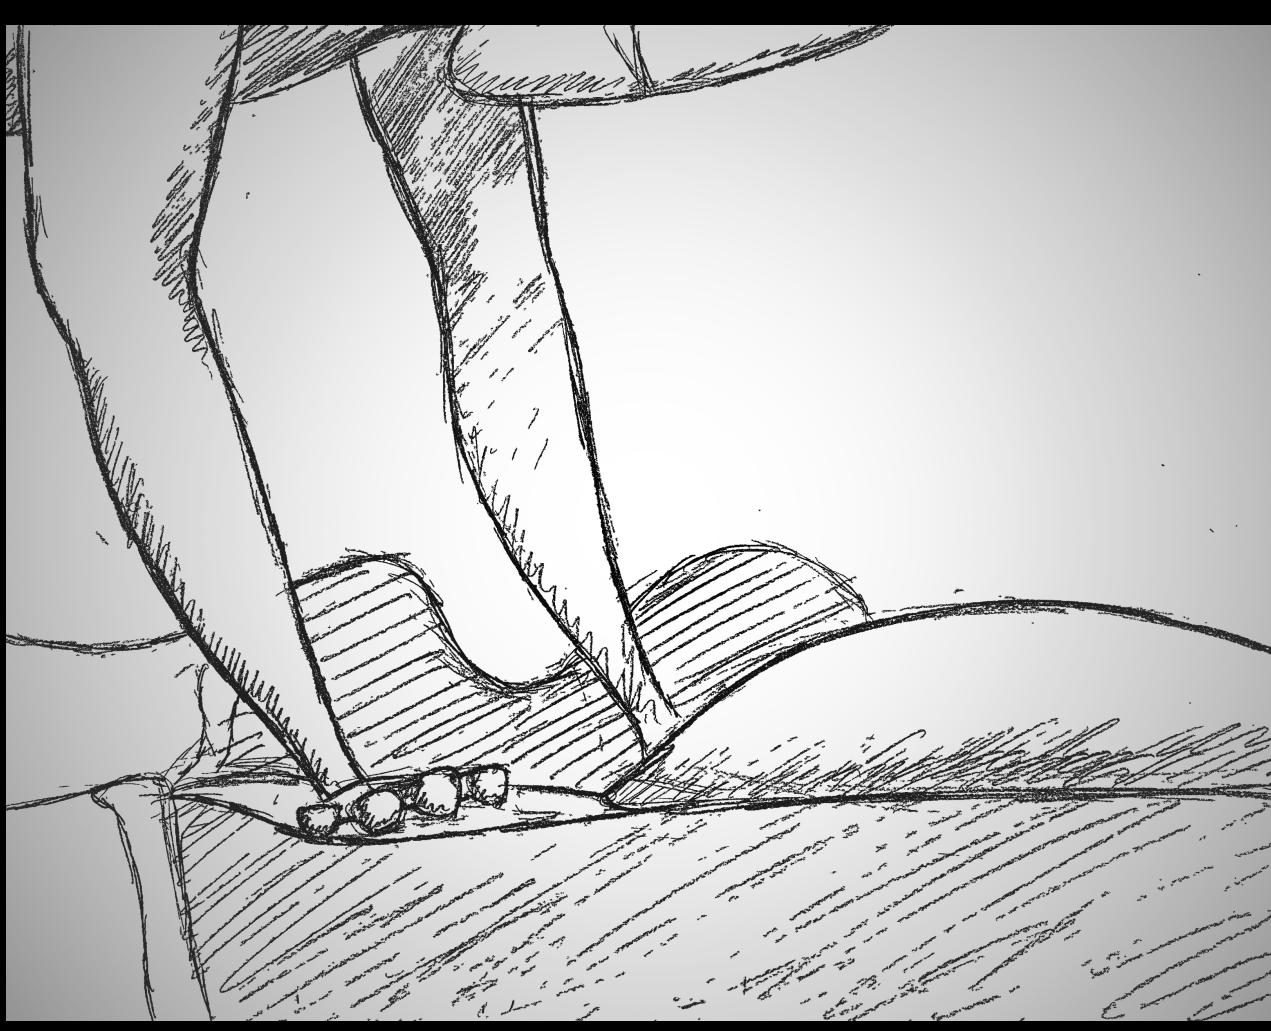

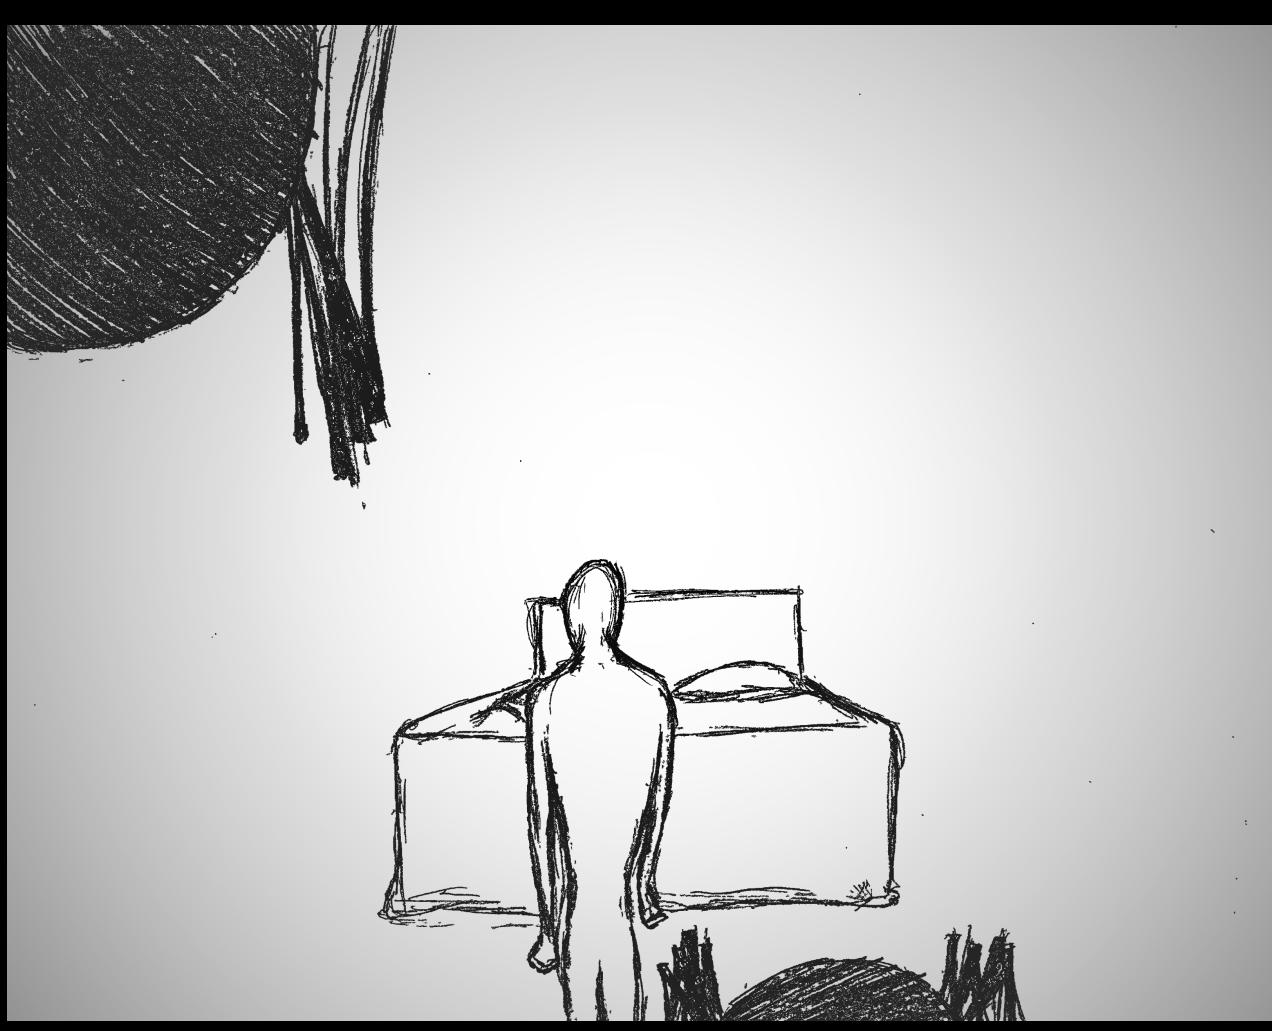

## The National

“It's a terrible  
love that I'm  
walking with  
spiders”

“It's a terrible  
love that I'm  
walking in”

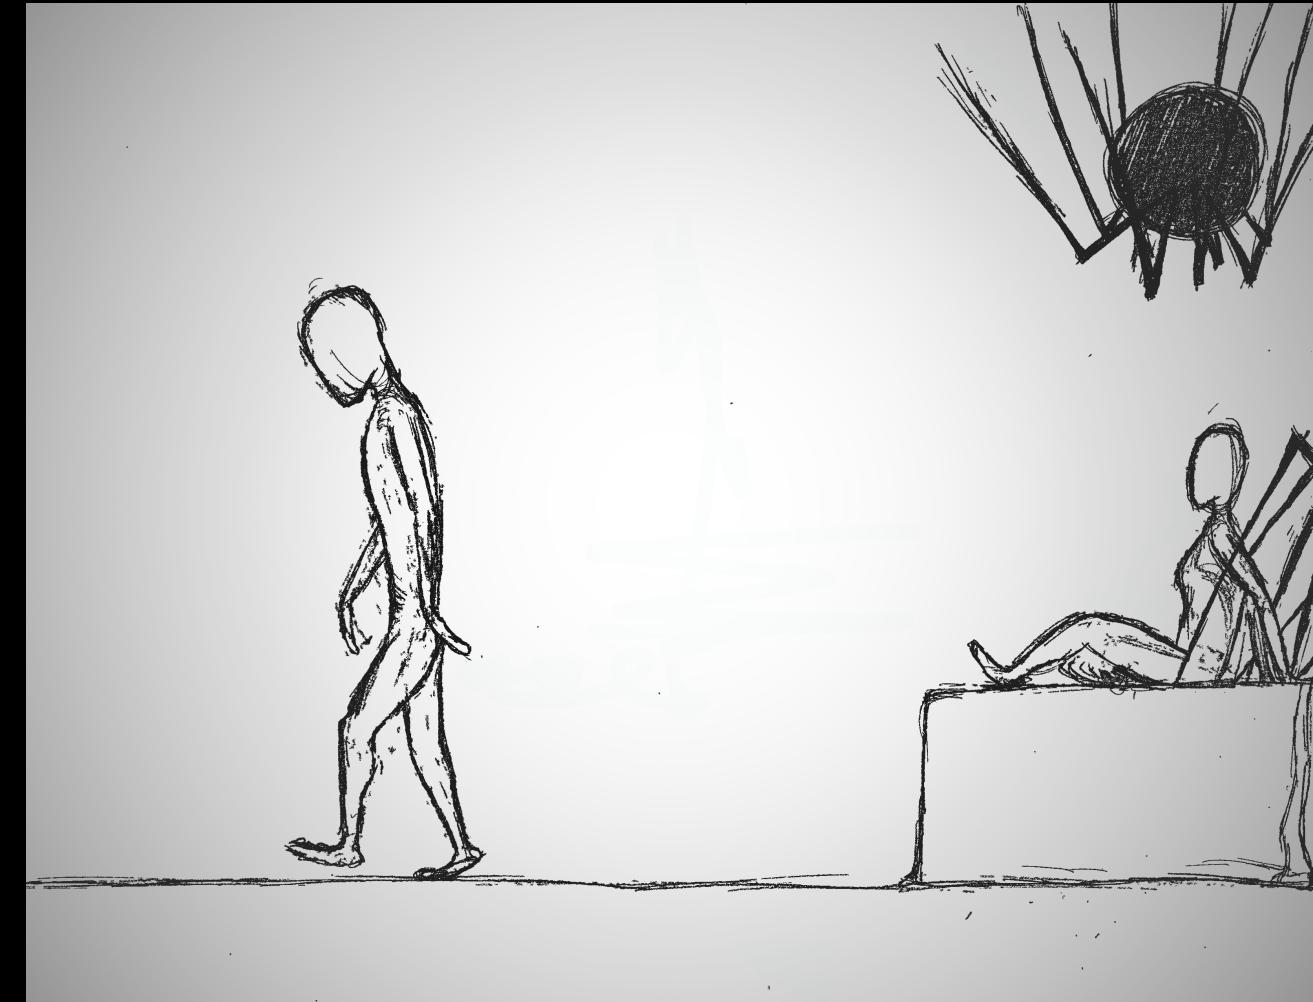

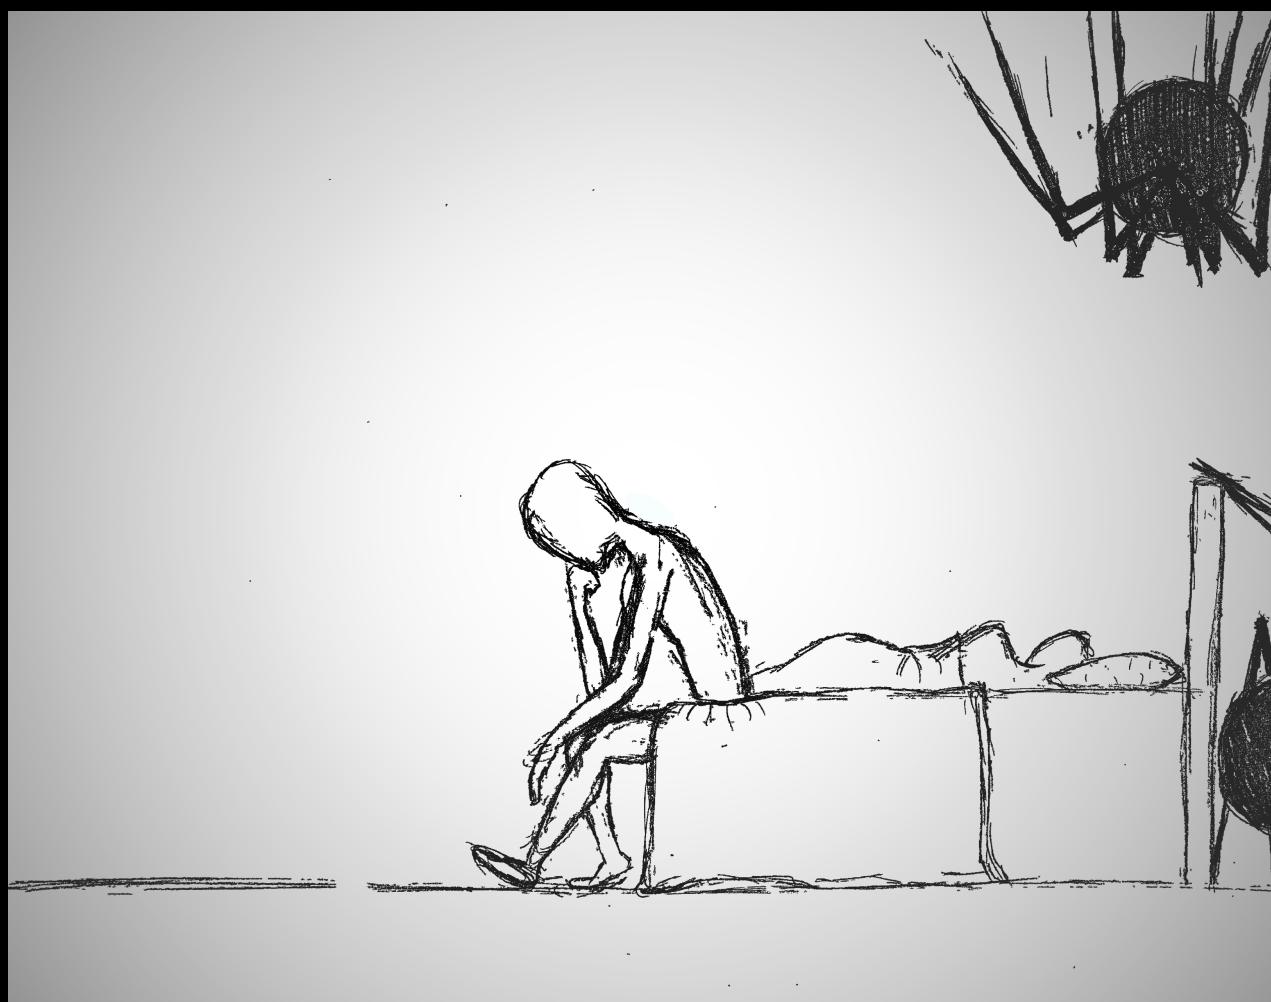

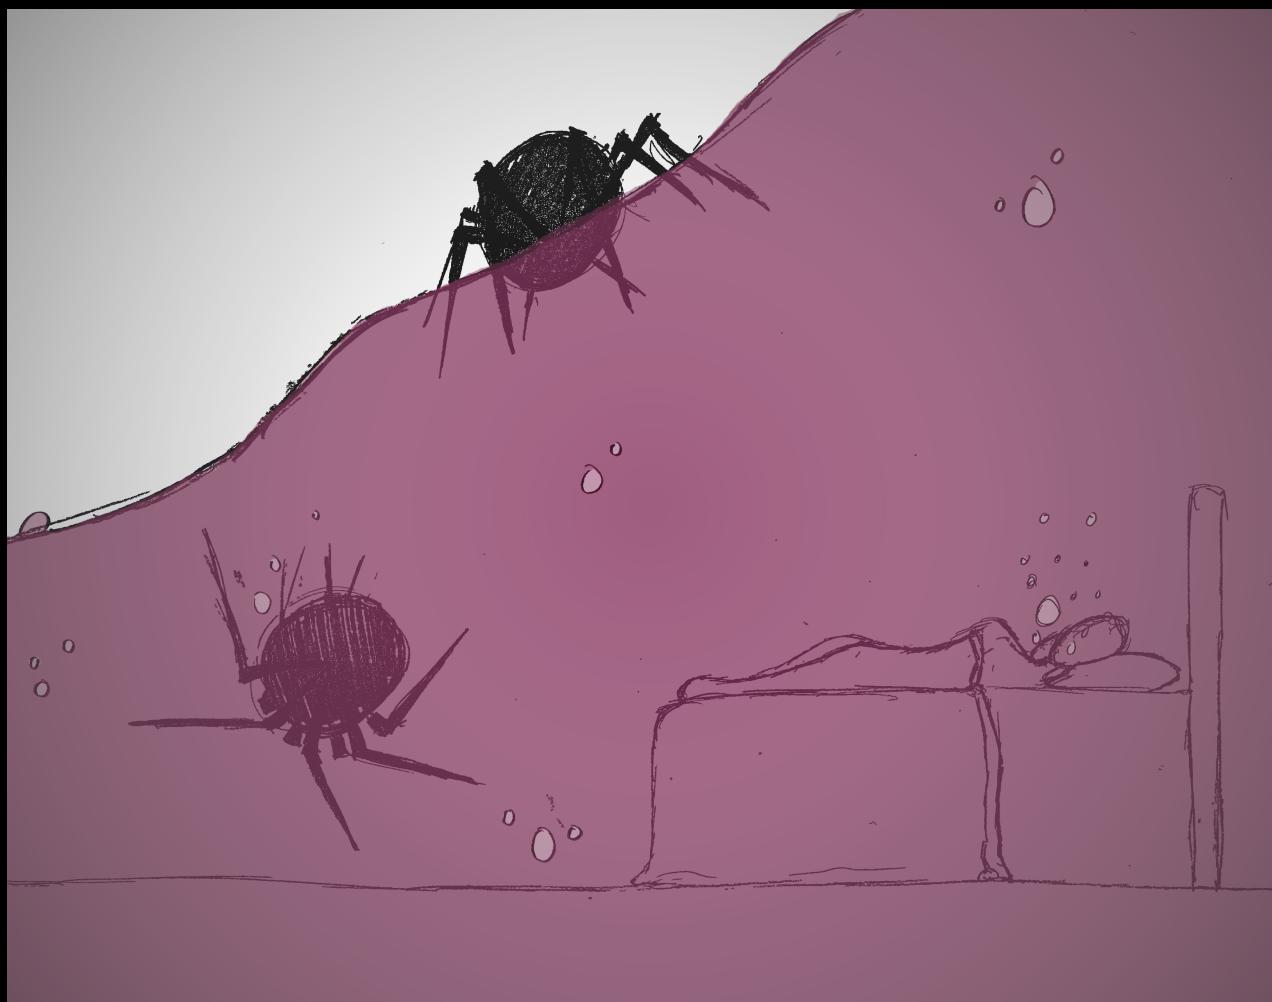

“It's quiet  
company, it's  
quiet company”

"It's a terrible  
love that I'm  
walking in"

"And I can't fall  
asleep, Without a little  
help, It takes  
awhile to settle down"

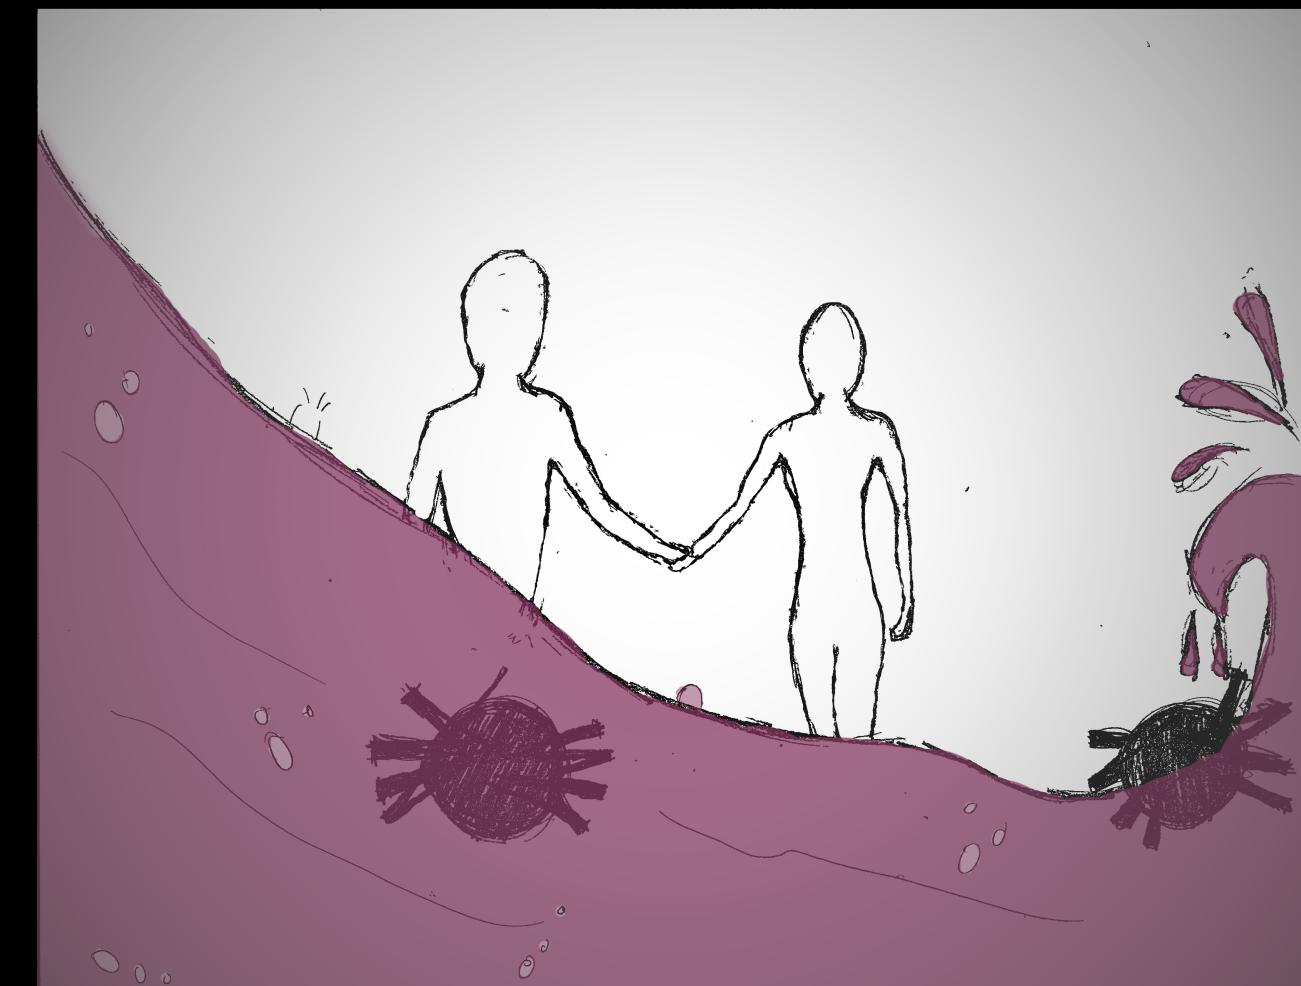

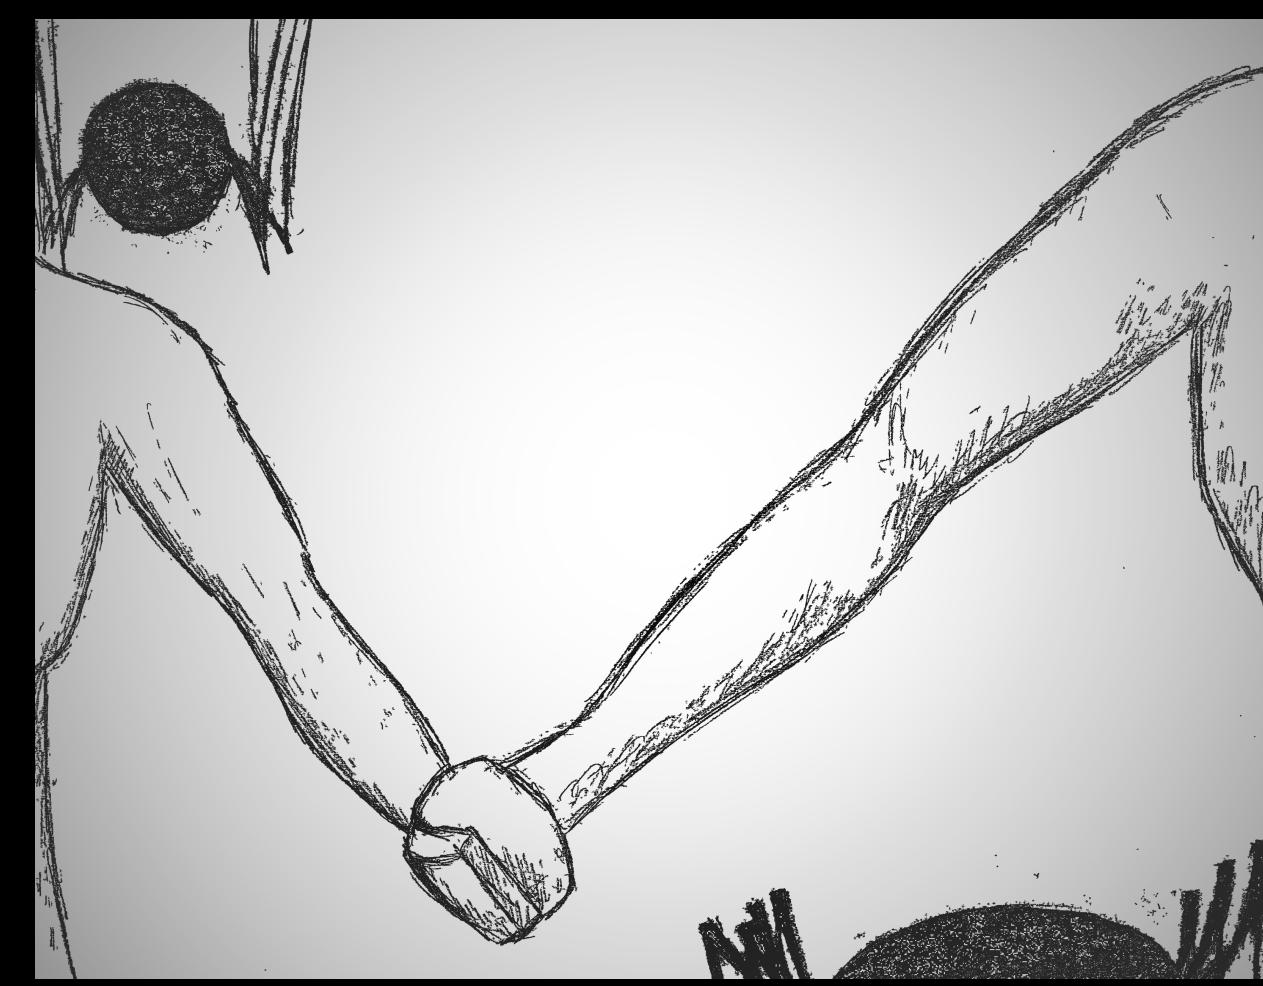

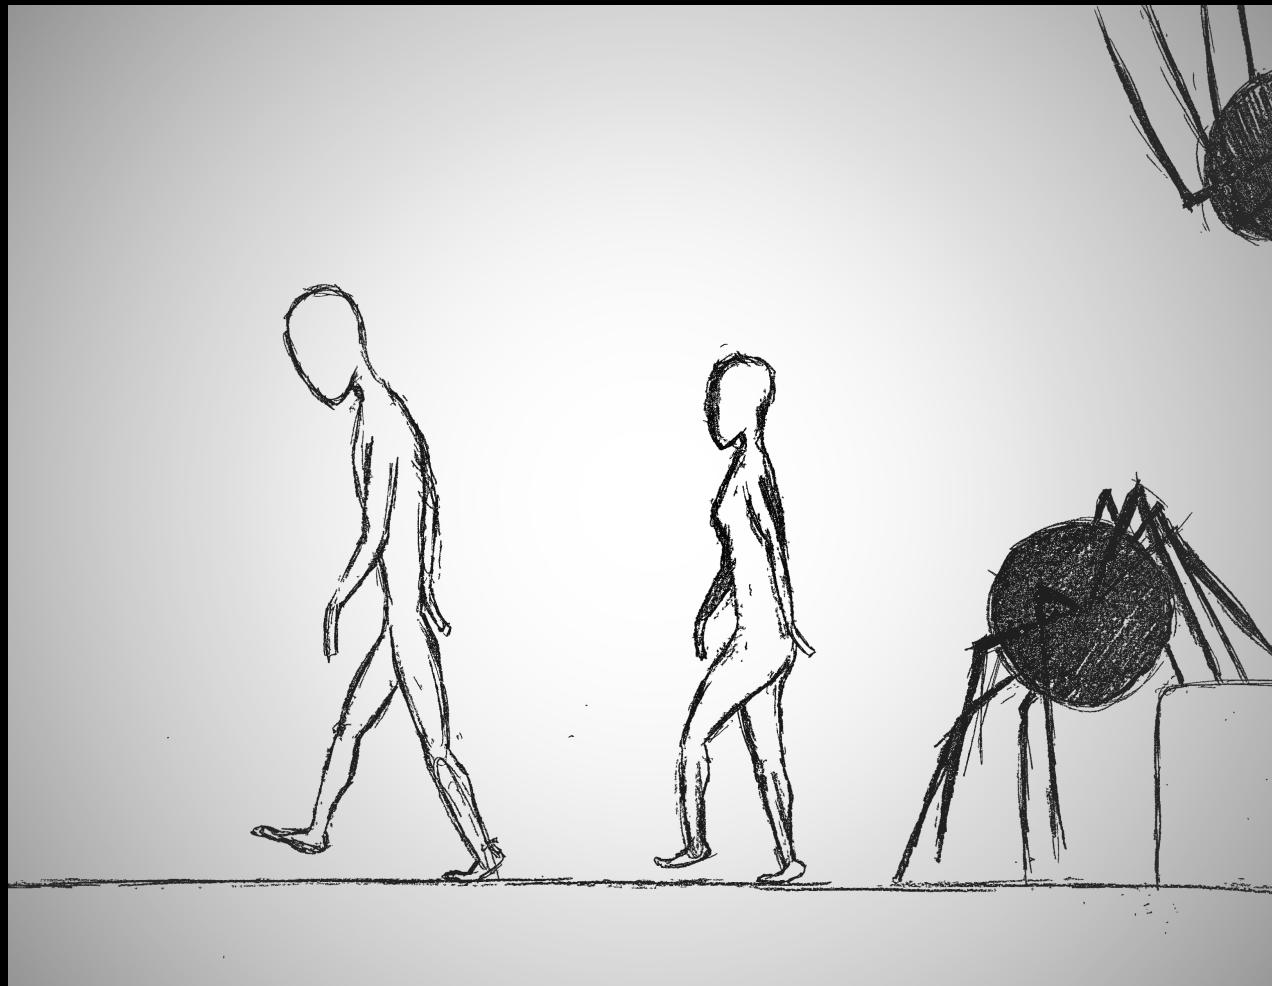

"My ship of hopes  
Wait til the  
past?"

"It takes an ocean  
not to break"

"Company  
It's quite company  
It's quiet company"

"But I won't follow  
you into the  
rabbit hole"

"Last night I woke  
but then I saw  
The ship of woes  
but didn't want me to"

"It's a terrible  
love that I'm  
walking with  
spiders"

"It takes an ocean  
not to break"

Daniel Bean
